Dear Kevin

Congratulations! It is a great pleasure to inform you that Kellison & Co. has been selected as a Weatherhead 100 winner for 2005. As one of the 100 fastest-growing companies in Northeast Ohio, Kellison & Co. will be honored amongst its peers and other professionals at the Weatherhead 100 Awards on Tuesday, December 6, 2005. This is truly a testament to the hard work and dedication of your entire organization.

Being named a Weatherhead 100 company carries a distinction of achieved excellence in every facet of your business. In some ways, the achievement of this recognition is especially more meaningful in 2005 given difficult economic times.

As the designated contact person at your company, please share the announcement of this award with your management and staff. As a Weatherhead 100 winning company, you will receive two complimentary tickets to the awards dinner. We also encourage each company to purchase a table at this year's celebration to reward employees, spouses and guests for their efforts in winning the award. This is an award everyone in your organization should celebrate!

In the coming weeks, you will receive a winner's packet that we need you to review and return to us the requested information to help us and the region's business leadership properly recognizes your organization's success. If you have any questions, please feel free to contact Amanda Flood at (216) 592-2207.

Again, congratulations on being named a 2005 Weatherhead 100 winner!

Sincerely,
